

## Dynasys Auxiliary Power Unit Rebate/Discount Program for OOIDA Members

**A \$300 DISCOUNT is currently being offered to OOIDA members!**

This offer comes from Dynasys and their participating dealers. So, make your best deal and get \$300 off of your installed purchased price.

### Program Details:

- Dynasys offers OOIDA the opportunity to bring Dynasys quality and performance to its members. Members are invited to come into any Dynasys dealer and make their best deal on a new **Dynasys APU**.
- To be eligible, OOIDA members must be in good standing prior to taking delivery.
- Negotiate your best deal and present your valid OOIDA membership card to the participating dealer and they will deduct \$300 from the installed price.

Participating Dynasys dealers must provide the following information to Dynasys:

- Copy of current OOIDA membership card
- Copy of actual dealer invoice showing unit serial number
- Copy of warranty registration

Once the information is received and verified a \$150 credit will be applied to the installing dealer's account.

Only 1 credit is available for each OOIDA member unless previously approved by Hodyon.
